PennAccess: David Rittenhouse Laboratory

Entrance Information:

209 South 33rd Street. Philadelphia. PA. 19104

1. The building can be accessed through the door just left of the main entrance to the lobby. The door is automated and activated by a card swipe; coordinate access via your PennCard with the building administrator. This entrance is level with the elevator.
2. The south entrance has an automatic door, activated by a push pad, which provides access to the upper level accessible seating of the first floor auditoriums A1-A8. This entrance is level only to the upper areas of the auditoriums. The elevator does not serve this part of the first floor.
3. There is an entrance off Lot 2 to the loading dock which leads to the nearby elevators and the first floor corridors.
4. The main entrance from 33rd St. has stairs inside. The entrance to the Multimedia Services Lab (MMS) is to the left of the main entrance and is not accessible. To access MMS, see below.

Elevator Information:

- There are two elevators in the middle of the building which access all areas of the building except the upper level of auditoriums A1-A8.
